Disability UK and Hate Crime Presentations

Dear Dave and Kate

We would like to take this opportunity to say thank you for your time and the presentations you delivered to our pupils. The sessions were excellent, and our pupils really enjoyed the opportunity to ask questions that encouraged them to reflect on some really powerful messages that are important for everyone.

Some of our younger pupils expressed:

'Wow the talk was great, I really enjoyed it'

'It was inspiring, and we learned lots'

'It was interesting, and they made it lighthearted when talking about some things that could be scary'

We look forward to working with you more in the future.

Yours sincerely,

A handwritten signature in blue ink that reads "P. Mooney".
