

Make Your Will For Free

Introducing Our Latest Fundraising Initiative that benefits our supporters and our clients

At Daisy Inclusive UK we truly value every donation as it enables us to provide essential services to those in need. That's why we're excited to introduce a new fundraising initiative that not only helps our clients but also benefits you, our cherished supporters.

Make Your Will for FREE - Make a Difference Today

While legacy gifts are deeply appreciated, they can take years - even decades - to reach us. The reality is that *we face urgent funding needs now* to continue providing vital services to those who rely on our support.

Helping You to Help Us to Help Others

Through our partnership with Secure Inheritance Legal Services, experts in Wills, Trusts, and Estate Planning, you can now **make your professionally written Basic Will - completely free**. In lieu of their usual basic Will fee, we invite you to make a one-time donation that directly supports our day-to-day services.

Why Take Part in this FREE Basic Will Initiative

No one should have to put off making a Will due to cost or complexity. With the guidance of these experts you can now help protect the people and causes you cherish - making a lasting difference.

- **A professionally written basic Will** - at no cost to you.
- **A safe, simple process** with expert legal guidance every step of the way.
